Sir

I have the honour to state that on a petition from some of the cloth merchants of Bowringpet town representing that the existing octroi duty on piece goods viz Rs 2/- per cent ad-valorem be reduced to Re 1-9-0 per cent, which is the maximum rate fixed under the new Regulation, the Municipal Council,Bowringpet, have resolved on 18-4-36 that the rate be reduced to Re 1-9-0 per cent The existing rate of Rs 2/- was sanctioned in Government Order No L 6376-Ll 84-25-82 dated 7-4-36 and is in force since then The reduction in the rate will result in a loss of about Rs 1150/- per year The Municipal Council whose financial condition is by no means good and whose resources are likely to be considerably crippled by the reduction in rate was asked to explain how the deficit would be made up The Municipal Council have in their resolution dated 30-7-36 modified their resolution of 18-4-36 referred to above and have stated that, since there is no scope of augumenting their income to make up the loss that may be caused by the reduction, the rate of Rs 2/- may be continued

As the maximum according to the new Regulation is less than the old rate, I am not sure whether the municipal council has any opinion in the matter The continuance of the old rate may not be lawful The new rate as prescribed in the Regulation may perhaps have to be brought into force.

I request you to be so good as to obtain sanction of Government to the reduction of the rate from Rs.2/- to Re 1-9-0
